## **PAC Special Meeting - Vote**

*Minutes - Melissa*

*Chairperson - Corina*

*Attendees: 7 members - Quorum achieved*

**Call to Order at 9:07 am**

**Resolution: For Suncrest PAC to purchase 10 iPads for Suncrest School use, for a total cost of \$5105.56**

**Resolution was approved with a majority 'in favour' vote.**

-A parent expressed concerns about allocating such a large amount of PAC funds to this expense. Suggested that the school's current tech fund of \$1800 be used towards the purchase of the 10 iPads and that PAC will contribute the remaining money needed. However, the school's goal is to purchase 14 iPads total to complete a class set and to have backups in case one or more of the units aren't working. So PAC will purchase the 10 as proposed in the motion and the school tech fund will be used towards purchasing the remaining 4.

**Adjourned at 9:36 am**
