-Covid protocols continue to be adjusted with new information from the District, Ministry of Education, and Fraser Health. Recent changes include a requirement for all adults to be wearing masks unless 2 meters away from students. We have also adjusted internal procedures within the school based on this information and parent feedback.

- Students and staff are excited that the primary playground is once again open. No update from District or Burnaby Neighbourhood House as to when the new facility will open.

-FSA participation is lower than in other years. This is also a District trend.

-February themes at school (Kindness and Black History Month- announcements about various Canadian Black heroes)

-Term 2 report cards will go home March 5<sup>th</sup> (new format MyEd). One difference parents will notice is that there is no longer an option to be between two proficiency levels. Students will either be Emerging, Developing, Proficient, or Extending.

-One informal report before June Term 3 report Card and Final – format to be determined and will likely not be the same format across the school

There is now a place to access Suncrest PAC Minutes under the “Parents” tab on the school website – past minutes will be posted shortly.
