Literacy Week - successful event leading into Spring Break

Provincial survey - Grade 4 & 7 to be completed by April 30

FSA completed and marked over Spring Break - low turn out for whole district

Ultimate Frisbee -had been tentatively booked for June for activity, but District is recommending not to bring in outside facilitators at this time even for outside activities

Outdoor classroom – remaining benches estimated delivery in June, will continue to add to this space/concept over time

Sweat bees - attracts to yellow colour - slide on playground is closed
-2 children stung with minor reactions

Grade 7 grad - possible to do live assembly with grads - no parents as per Fraser Health regulations, more information coming to Grade 7 parent group
-will be recorded for parents and students to access later

My Ed Report Card – first time using this platform went well. Some people miss the sliding scales between proficiency scale designations, but the Ministry direction is to stay with the four separate categories

Mask mandate - Grade 4-7 mandatory, all grades are encouraged to wear
- controversial for some families across the District

Classrooms - ready to move online learning if needed

Student Portfolio Shares - last week of April, parent response piece due May 5

either online or through form provided depending on the teacher

Neighbourhood Day Care - complete - waiting on occupancy permits

Parking lot – at this point only staff should be accessing the parking lot of the school. The lot is not available for drop off, pick up or as a place to turn around. Once the new daycare is open, there will be designated parking spots for Daycare parents only.

Next year 2021/2022 – back to 14 divisions
